Answers to questions on page E2:

1. "Sam 'n Henry"
2. Mel Blanc, who did the voices of Porky Pig, Bugs Bunny, Daffy Duck, Tweety and Sylvester, Yosemite Sam and others.
3. Mel Blanc, also.
4. Fred Allen, according to Jerry Nachman, author of "Raised On Radio," 1998, University of California Press)
5. "of Lost Persons.")
6. a: Lamont Cranston, b: Nick Carter, c: Sam Spade, d: Steve Wilson, e: George Valentine.
7. Fred Allen

8. "Dr. I.Q."

9. Garry Moore

9b. Arthur Godfrey

10. . . . "Instead of developing its real strength — the spoken word — radio fell back into its old ways as electronic vaudeville, trying to compete against TV's exciting new in-you-face vaudeville," says Jerry Nachman. Anyone see analogies to today's radio content? Nachman broadcasts at 7 p.m. Sundays Pacific Standard Time on NPR station KALW-FM, 91.7, out of San Francisco, when he does his own quiz show, "Mind Over Matter.")

How many answers did you get right? If you got all 10 — plus the bonus question, you're a Radio Whiz — take a bow. If you got 10, without the bonus, you're a Hot Shot. If you got 6 to 9 right, you're a Sharpie; between 3 and 5, you're still pretty smart.

Fewer than three answers right? Well, you're probably too young. We'll try to make the quiz easier next time.

Maureen Nevin Duffy
